Dear Mr. Wood,

Thank you for being part of Mid America Direct's Funfest for Porsche and Corvette Funfest automotive events this year.

The helicopter rides were a huge hit for our customers and added another element of excitement to each show.

The courteous, professional manner in which you conduct your business makes working with you a pleasure. In addition, your attention to safety and willingness to work with us allows our team to concentrate on the event and leave the flying to you.

We look forward to adding 'His Helicopter Service' to our long list of dependable vendors and services that our company will utilize long into the future.

Sincerely,

Mike Yager
Chief Cheerleader
Mid America Direct, Inc.
